LAUNDRY GUIDE / AIRWALLET

Laundry.
Step by step.

01 — 05 / Simple from start to finish.

1 Load the machine

Choose a machine, load your laundry and close the door.

2 Open Airwallet

Open the Airwallet app on your phone. Tap “I’m in the laundry” and select the machine you want to use.

3 Pay in the app

Complete your payment in Airwallet to enable the machine.

4 Choose a program and press Start

Select a wash or drying program on the machine, then press Start.

5 Empty the machine

Wait until the program has finished and the door unlocks. Then remove your laundry.
